MANPOWER SHIFTS TO HEAVY INDUSTRY

MORE WOMEN NEEDED IN INDUSTRY IN 1951 -- Prague, Hospodar, 30 Nov 50

The Ministry of Labor and Social Welfare has indicated that 90,000 women will be recruited for industry in 1951 through the proper agencies. Of these, 75,000 will come from the Czech provinces.

An average of 12,496 women per month were recruited during the second half of 1950.

HEAVY INDUSTRY OFFERS INDUCEMENTS TO WORKERS -- Prague, Lidova Democracie, 26 Dec 50

Workers taking jobs in key industries are offered 2,000 crowns with which to buy a set of tools and equipment. If for a period of one year their pay is less than it was on their former jobs, the industrial establishments will make up the difference to these workers. Employees in key industries enjoy priorities in recreation, the purchase of work clothes, and in the building of new homes. When available, they may have housing facilities at extremely low cost.

New workers in key industries are assigned, for guidance and help, to work with shock brigaders.

WOMEN RELEASE MEN FOR HEAVY INDUSTRY -- Prague, Obrana Lidu, 16 Dec 50

During the first half of 1950, in Olomouc Kraj, 6,600 women took their place in industry. In the months September, October, and November, 2,345 women, having undergone the necessary specialized training, were certified as skilled laborers. In Liberec Kraj, 60 percent of the employees in public offices and different branches of industry are women.

SLOVAK LABOR NEEDS DISCUSSED -- Bratislava, Lud, 24 Jan 51

For the year 1951, Nitra Kraj needs to recruit 675 additional qualified workers for the mines and 150 for the metallurgical industry. This year, thus far, 75 apprentices have come to work in the mines at Handlova, and 32 experienced men have been added to the metallurgical plants there. Brigades of young apprentices have been visiting schools in an effort to interest young people in mining as a life work.
